

Agenda

Safety procedures in adventure tourism

Training for tour operators, guides, hotels and guesthouses

Concerns:

A training is provided on safety procedures for horse riding tours and trekking tours as well as on the essential safety measures for small accommodations and guesthouses.

Experts will introduce different safety topics and share practical inside and knowledge.

An overview will also be shared of the training opportunities that are provided in 2020 for horse men, trekking guides and small accommodations.

Participants:

The training is open for all operational managers of tour operators, safety managers, quality managers and any person interested in safety procedures in tourism value chains.

Date:

Tuesday 14.1.20

From 10:00 am until 16:00 pm

Location:

City Hotel, Bishkek

Language:

Russian/English
